ACCESS-FOR-ALL

Since joining the mission of the museum, the goal of being able to expand the community's access to experience our interactive exhibits has been at the top of the list for Edward Figueroa, Executive Director. Now with the help of Supervisor Paul Canepa and Kaiser Permanente, providing the initial seed money, that goal becomes a reality. We are proud to announce our **Access-for-All** program. **Access-for-All** offers half off the general admission price for guests with a physical EBT card and valid ID and makes playtime more accessible for all of our children. The discounted price

is available during regular museum hours and can be used for up to four guests. This program embodies the essence of why our museum is such a vital part of San Joaquin County. The ability to expand access to play, to offer our interactive exhibits for even more children, and widen our reach for joy and imagination is an immeasurable achievement. Thank you once again to Supervisor Canepa and Kaiser Permanente for helping to make this goal a reality.

Toy Soldier Brigade Celebration

Recently, the museum celebrated our Toy Soldier Brigade members with a whimsical and informative evening showcasing how their generosity is making a difference to the museum. Members of the Toy Soldier Brigade have pledged a five-year commitment of support of \$1,000 per year or more. We are so grateful for these long-term gifts because they allow us to plan for future exhibits, improvements, and programs.

To become a Toy Soldier Brigade member, contact Edward Figueroa, Executive Director, at (209) 465 - 4392 / EFigueroa@childrensmuseumstockton.org.

Mummies, Monsters, and Magic at the Museum

Save the date for costumes, candy, and community once again at our **Annual Trick or Treat on Weber Street**. The Children's Museum of Stockton is excited to welcome back all of our cats, clowns, princesses, and pirates to our Halloween celebration. We encourage everyone to put on their (not-too-scary) costumes and join us for a candy crawl through the museum.

MUSEUM MATTERS

Friends,

Thank you for being a part of this ongoing journey to give children a fun and interactive place to play! We are continuing the positive changes to keep our exhibits updated and ready for the pitter-patter of little feet, but we cannot do this alone. We need our community to *bring our community* to see the museum firsthand on a tour that will enlighten them about the amazing things play does for our children. You can support the work and our mission by becoming a Volunteer Ambassador. As a Volunteer Ambassador, you would bring others to tour the museum and help us keep play at the forefront of San Joaquin County. I encourage you to contact me at 209-465-4392 / EFigueroa@childrensmuseumstockton.org to learn more about this opportunity or if you have any questions about this distinguished volunteer role.
