**TRICK-OR-TREAT  
ON WEBER STREET!**

We are gearing up for our Trick or Treat on Weber Street! This year's free family-friendly event will take place at the Museum on Sunday, October 19<sup>th</sup> from 11am - 2pm. Over 20 community vendors will be hosting trick-or-treat tables! Everyone (including adults) is encouraged to don their best fun costume and join us for a playful candy-filled day. In order to give the best Halloween experience to our young guests, the museum will only be open for the Trick-or-Treat event. We will reopen the exhibits Wednesday, October 22nd.

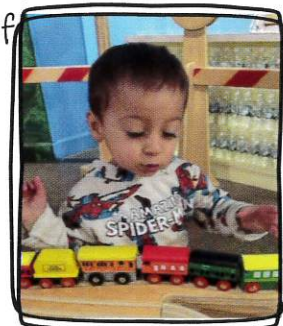

**WANT TO BECOME MORE INVOLVED?**

- Join us for a Power of Play Tour!
- Donate your new/gently loved children's books. We love to give them away to our littles!
- Volunteer your special talent to the museum! Are you a musician, artist, balloon twister, hoop dancer, etc.? We are always looking for new interests/skills to show our young guests.
- Become a Power of Play Ambassador.
- Become a member at the **Crimson**, **Sapphire**, or **Golden** level.
- Become a museum volunteer.

**IN HONOR and IN MEMORY OF...**

Tribute gifts, those made *in honor* or *in memory* of person's life, are meaningful ways to celebrate important milestones. Significant moments such as birthdays, anniversaries, holidays, celebrations of life, or memorial services, offer opportunities to commemorate someone, both in life or in their passing, with a tribute gift to an organization that made an impact for them. We encourage you to consider making a tribute gift to honor your loved one's meaningful life event. A tribute gift to Children's Museum of Stockton will help ensure play for future generations to come!

## A MESSAGE FROM EDWARD

It has been quite a year at the Children's Museum of Stockton and one that has seen many positive changes happen. One of my favorite changes is our new tagline, "Where our day is child's play!" I believe it truly encompasses what it means to be part of the museum and how we are working to elevate the importance of play in the lives of our children. There seems to be no end to the positive impacts play has on a child's life and we are honored to be a place where they can imagine and create.

This year has also seen the museum add new and fun activities for our littles, including scavenger hunts, Fun-In-The-Sun Saturday's, dance breaks, Story-Time Hour, and the Art Studio being open additional hours. Our exhibits have also seen some changes in the past few months. Our firetruck and ambulance received new upholstery, our Art Studio now has a triple sided painting easel, and we installed an interactive magnet gear wall. All this to say, that everyone at the museum is working hard to make play and fun the main components of the day for each and every child that walks through our doors. Each and every change, upgrade, or addition to our exhibits and program has grown of the idea of "what is best for the child" and "what is the child's perspective".

As we quickly head into the winter holidays, we are looking forward to updating our exhibits with renovations and contemporary transformations and continuing to make our young guest's the focus of every decision we make for the museum.

I want to personally invite you to visit the museum, bring in your children or grandchildren or join us for a Power of Play tour (see side bar for information). We look forward to seeing you in the museum and remember to make every day a playful day!
